**PART 92556
Conversion from Magura to Minda (Clutch side)
Pre 1997 models**

Parts included in this kit:

143310 CLUTCH CABLE
143323 DECOMPRESSOR CABLE
143340 SWITCH MODULE
143356 DUMMY GRIP
170108 CLUTCH LEVER ASSY

On Pre 1997 models the Magura switch is connected into the harness with standard Bullet connectors. The replacement Minda switch should plug straight into these connections without any modifying.
