91409E – CLUBMAN SEAT FOR ELECTRA

91432B and 91432A are required to fit the seat on a standard electra frame/rear subframe

91409F is only required as a front mounting when fitting to Hitchcock's Alloy Mudguard and Frame (the rear of the seat is bolted directly to the Hitchcock mudguard frame).

Pictured below is the seat with fitting for the standard Electra frame/subframe.
