Fitting instructions: Headlight grille for the 350 Meteor

Part number: 92263 + 92264

1- Remove the headlight from the shell, this is secured by two fixing screws shown below.

2 - Remove the main cap head screw from the headlight bowl.

3 - Fit the shouldered bolt from the kit, and repeat for each side.

4 - Refit the headlight in place.

5 - Fit the headlight grille using the washers and screws supplied, and align the grille before tightening.
